Team Acrotex Scholarship & Training Fund is a non-profit 501(c)(3) organization which complies with NCAA Regulations. It was organized to support and foster amateur gymnastics by providing financial support to competitive gymnasts and to support gymnastics by educating the general public about the sport.

Gymnastics not only encourages overall health and fitness, it embraces each athlete with confidence, discipline and passion to reach their potential. Our girls are empowered to become successful contributors of the next generation.
